Compact 10mm. The ultimate material choice for the most demanding applications. High impact strength and water resistance.

Large Format sheets 3660x1600mm as standard. Perfect optimisation for standard locker dimensions. Greater yield = minimal wastage and reduced costs.

Composition of Compact sheets:

≈70% Paper
≈30% Thermosetting Resins

Excellent moisture resistance

Great impact resistance

Scratch and wear-resistant

Light fastness

Ease of maintenance and cleaning

Hygiene

Most important characteristics according to the EN 438 classification for Compact Grade Laminate.

Compact 10 mm

Overlay (Only for printed decors)

Decorative Paper

Black Core

Overlay (Only for printed decors)

Visual awareness:

To assist the partially sighted, visual contrasts, between adjacent surfaces in a Locker storage environment are necessary. This contrast is measured by the Light Reflectance or LRV value of colours as noted in the product availability table and colour selector. To ensure that surfaces such as doors are easily detected, the Act specifies that there should, ideally, be clear separation of 30 LRV points between the two surface colours.

- ★ Half Sheets available in Washroom Collection - Check availability

The LRV shown in this table have been measured in the Arpa Industriale Laboratory, in accordance with EN 13721/04.

Relevant NBS Specification Clauses

- K13 Rigid Sheet fine linings / panels
- K30 Panel Partitions
- K32 Panel Cubicles
- L20 Doors
- N10 General Fixtures & Fittings

RAL, NCS & Pantone references are the nearest equivalents and should be verified visually

NB: Due to colour limitations when printing and viewing digitally we recommend viewing actual samples prior to sensitive project requirements

Greenguard - Indoor Air Quality - Guaranteed

The GREENGUARD Environmental Institute is an industry independent, third-party certification organization that qualifies products for low chemical emissions (VOC's).

Arpa high pressure laminates have been certified according to the GREENGUARD Indoor Air Quality Certification Program and the higher GREENGUARD Children & Schools Certification Program.
